

**What the Democrat Party  
Platform States about Abortion  
taken from [www.democrats.org](http://www.democrats.org)**

**Securing Reproductive Health,  
Rights, and Justice**

Democrats are committed to protecting and advancing reproductive health, rights, and justice. **We believe unequivocally, like the majority of Americans, that every woman should be able to access high-quality reproductive health care services, including safe and legal abortion.** We will repeal the Title X domestic gag rule and restore federal funding for Planned Parenthood, which provides vital preventive and reproductive health care for millions of people, especially low-income people, and people of color, and LGBTQ+ people, including in underserved areas.

**Democrats oppose and will fight to overturn federal and state laws that create barriers to reproductive health and rights. We will repeal the Hyde Amendment, and protect and codify the right to reproductive freedom.**

We condemn acts of violence, harassment, and intimidation of reproductive health providers, patients, and staff. We will address the discrimination and barriers that inhibit meaningful access to reproductive health care services, including those based on gender, sexual orientation, gender identity, race, income, disability, geography, and other factors.

Democrats oppose **restrictions on medication abortion care** that are inconsistent with the most recent medical and scientific evidence and that do not protect public health.
